# ROSES

---

## on own Roots.

---

WE shall, if requested, be  
pleased to submit a List  
of Roses specially grown on  
THEIR OWN ROOTS in clean,  
healthy, and well grown plants.

# Roses

---

AUTUMN 1911

SPRING 1912

An Alphabetical and  
Descriptive List of   
All Leading Varieties  
Grown at   

KING'S ACRE NURSERIES  
HEREFORD

REGISTERED COPYRIGHT.

Telegrams—

"ROSES, HEREFORD."  
TELEPHONE NO. 46.

King's Acre

Nurseries,

Hereford.

Seed and Floral Department—

NO. 1 HIGH TOWN.  
NAT. TELEPHONE NO. 48.

WE trust that the compilation of this small CATALOGUE (in which all the leading varieties of Roses are alphabetically arranged and briefly described) may be found useful, not only for reference to by Rose growers, but also in affording a ready means of ordering any required varieties.

**IMPORTANT.**

---

To those who may be wishful either to order or to obtain special quotations it is only necessary:—

1. To MARK in the COLUMN opposite any Rose the NUMBER of Standards, Half-Standards, or Dwarfs required.
2. Kindly to fill in Name and Address on page 28.

# ROSES.
